

# Rainwater Harvesting Conference

Saturday, April 24, 2010

9:00-2:00

Texas AgriLife Extension Building

1102 E. FM 1294

**Presenter: Billy Kniffen**

Texas AgriLIFE Extension Water  
Resource Specialist

National Director of American  
Rainwater Catchment Systems  
Association

Nationally known speaker and  
educator

Billy and his wife Mary live in  
Menard , TX, where they supply all  
their water needs through  
rainwater capture.

**You will learn:**

Where the rain goes—the science behind rainwater harvesting

Watersheds and runoff

Basic rainwater harvesting methods—from rain barrels to whole house systems.

How to build a rain barrel—and you may win a rain barrel to take home!

Cost: \$30 for the general public, \$25 for Master Gardeners. Includes lunch and all materials. Master Gardeners will earn 4 CEU's.

### **Directions**

Go north from Lubbock on I-27/US 87 to the Shallowater exit, then go east for a half mile on FM 1294. The AgriLIFE Extension Building is on the left.
